

REMARKS

Claims 1-25 were pending in the application. Claims 1, 5, 9, 11, 18, 22 and 24 have been amended in the manner set forth above. No claims have been added or canceled. Thus, claims 1-25 remain subject to examination.

The claim amendments correct several minor grammatical mistakes in the claims as originally filed. In addition, each of the independent claims has been amended to recite that the base fabric of camouflage printed material and the strips of camouflage printed material consist essentially of knitted mesh fabric. Support for this claim feature is found at page 5, lines 10-15 of the written description as originally filed.
